

# The NOYYL Airline

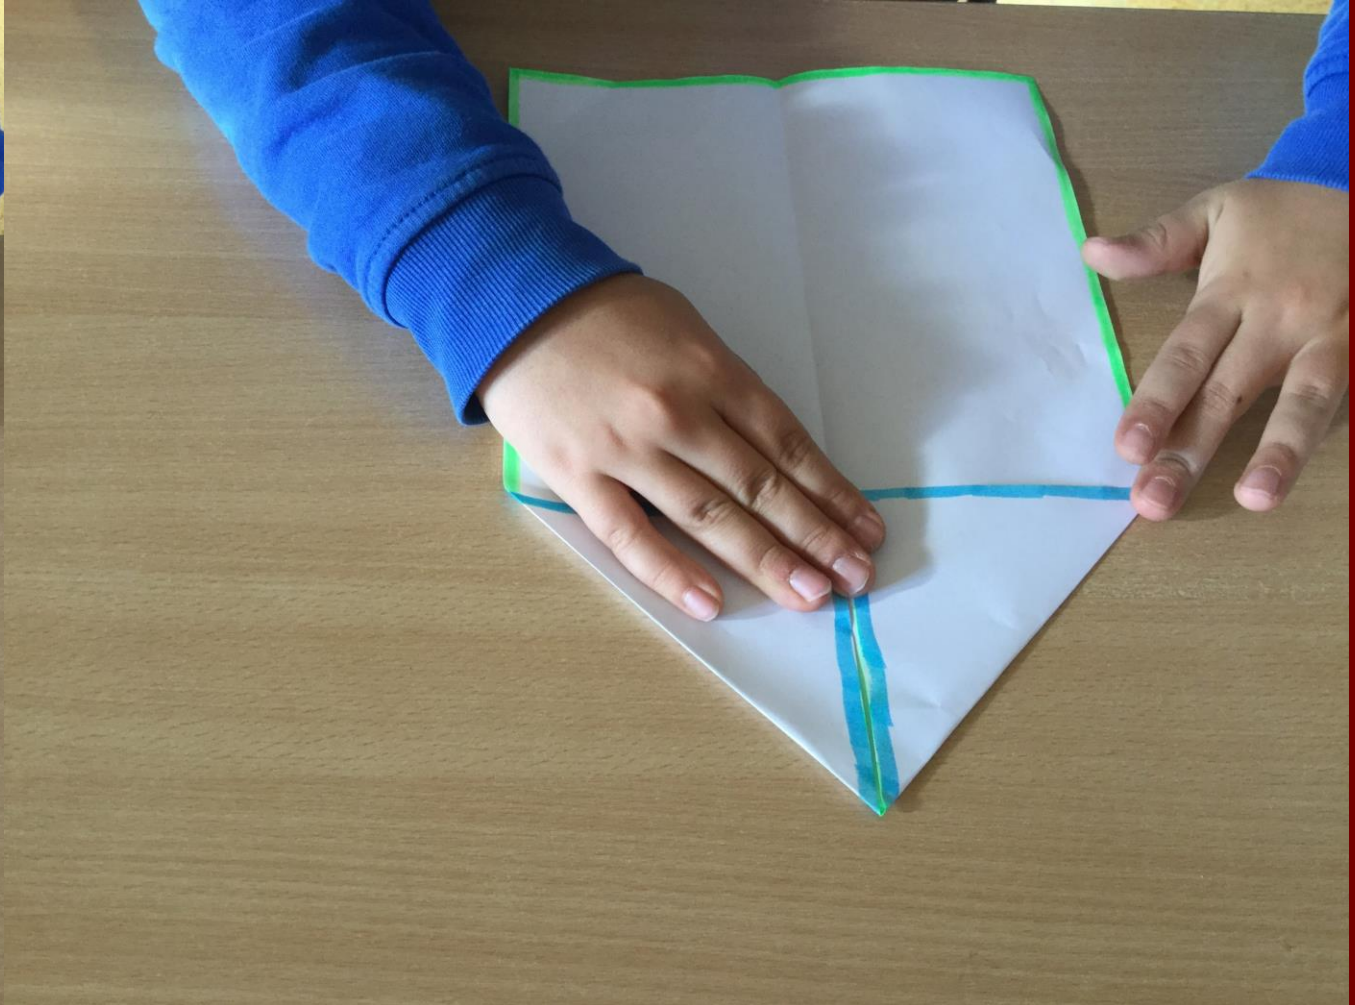

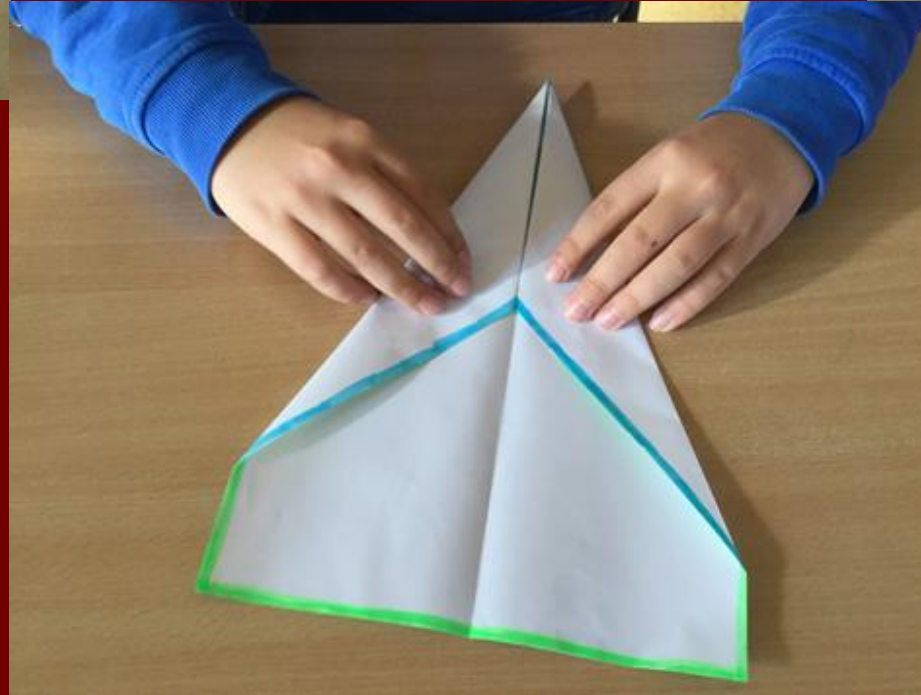

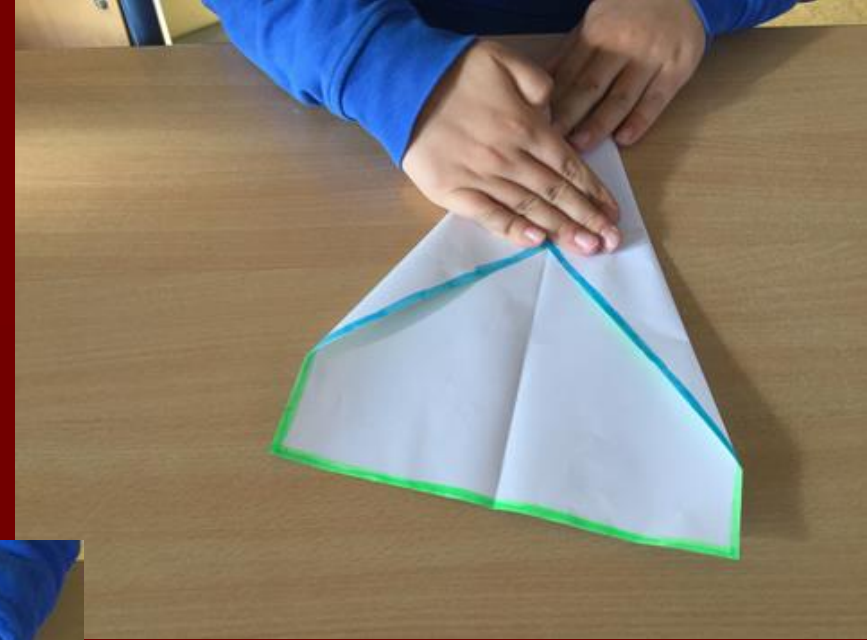

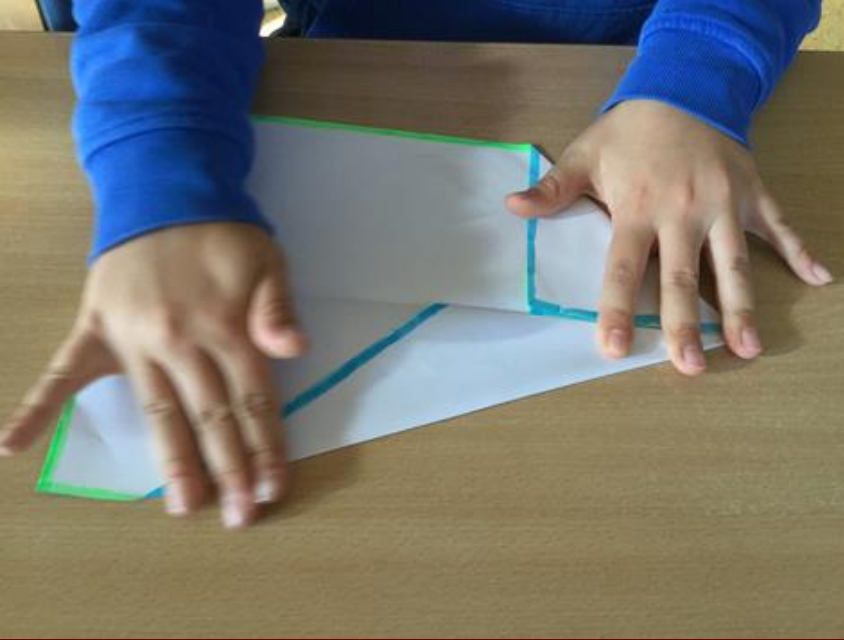

**Step 1:** Fold the paper in half so that there is a long rectangle!

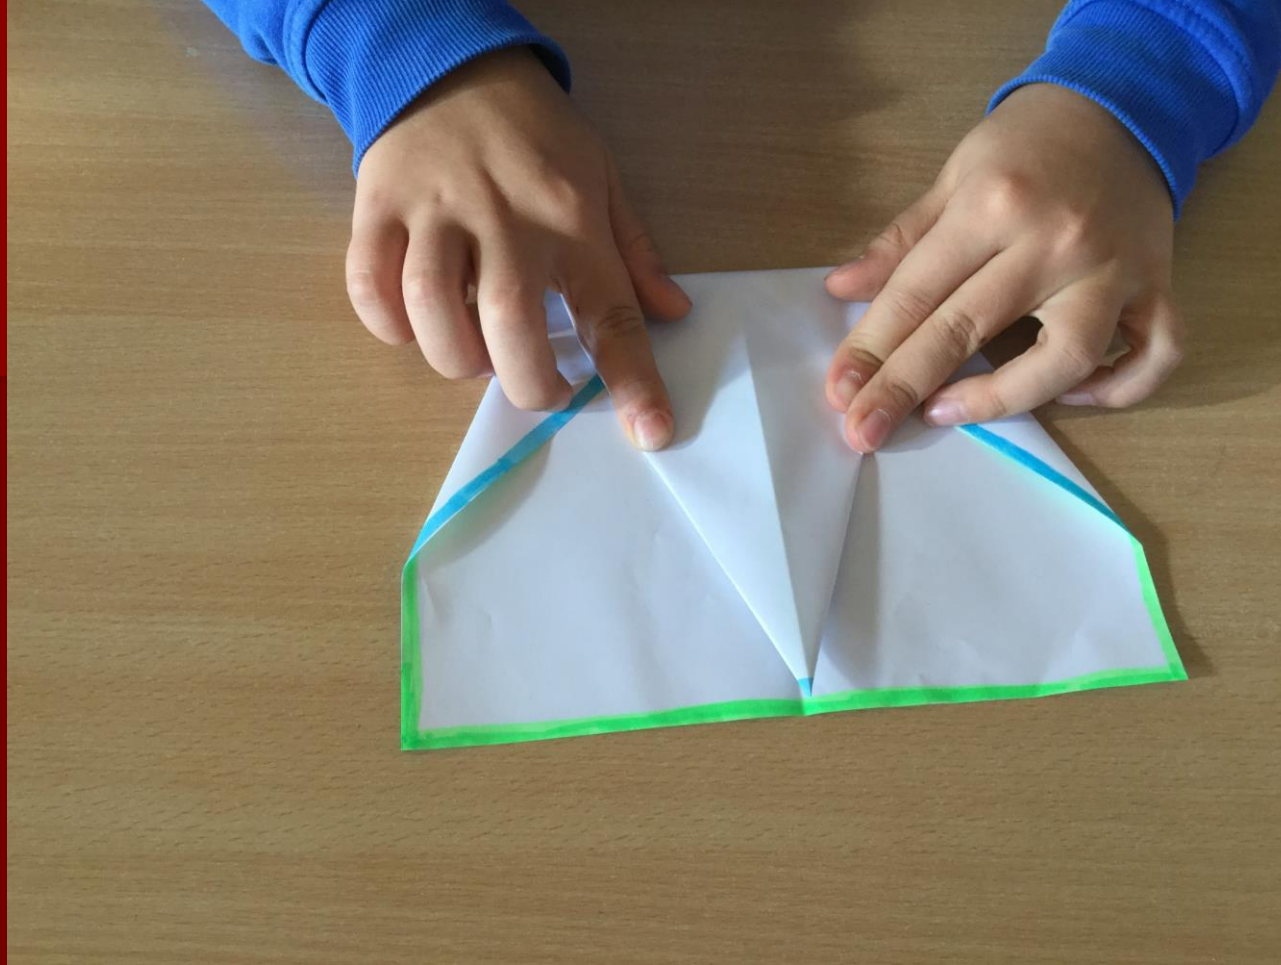

**Step 2: Open it up again !**

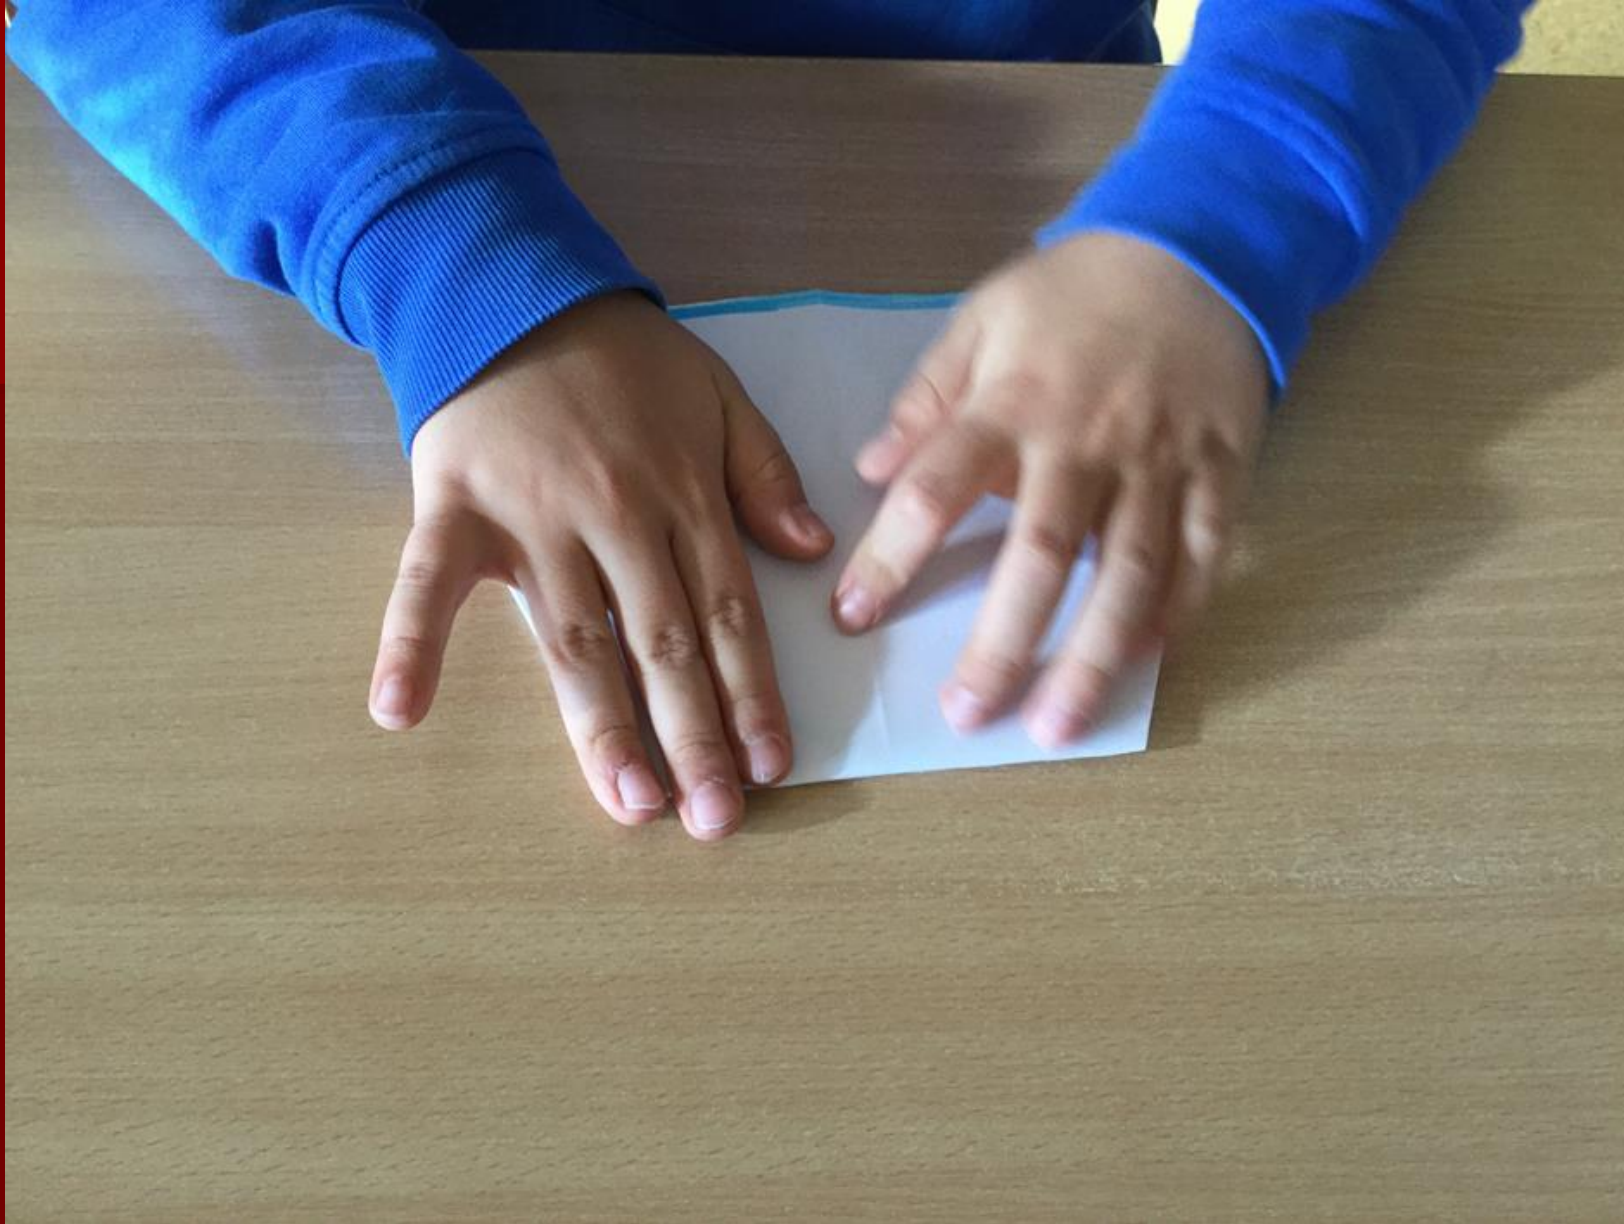

**Step 3:** Fold the top corners to the middle line. After that ...

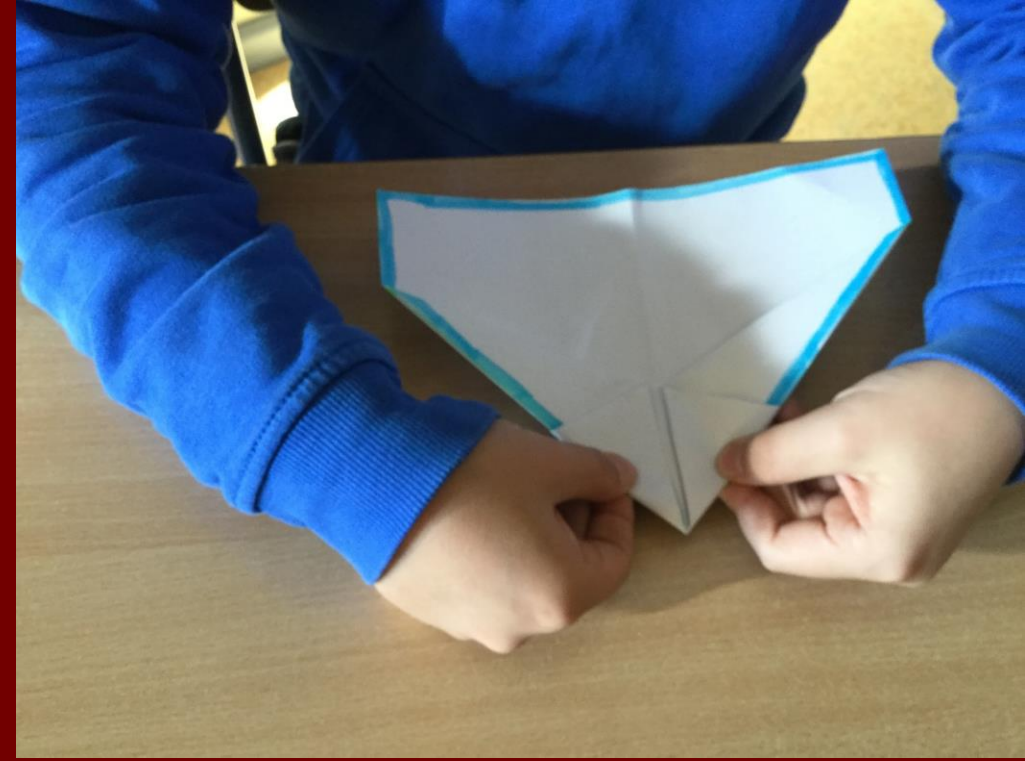

... fold it once again.

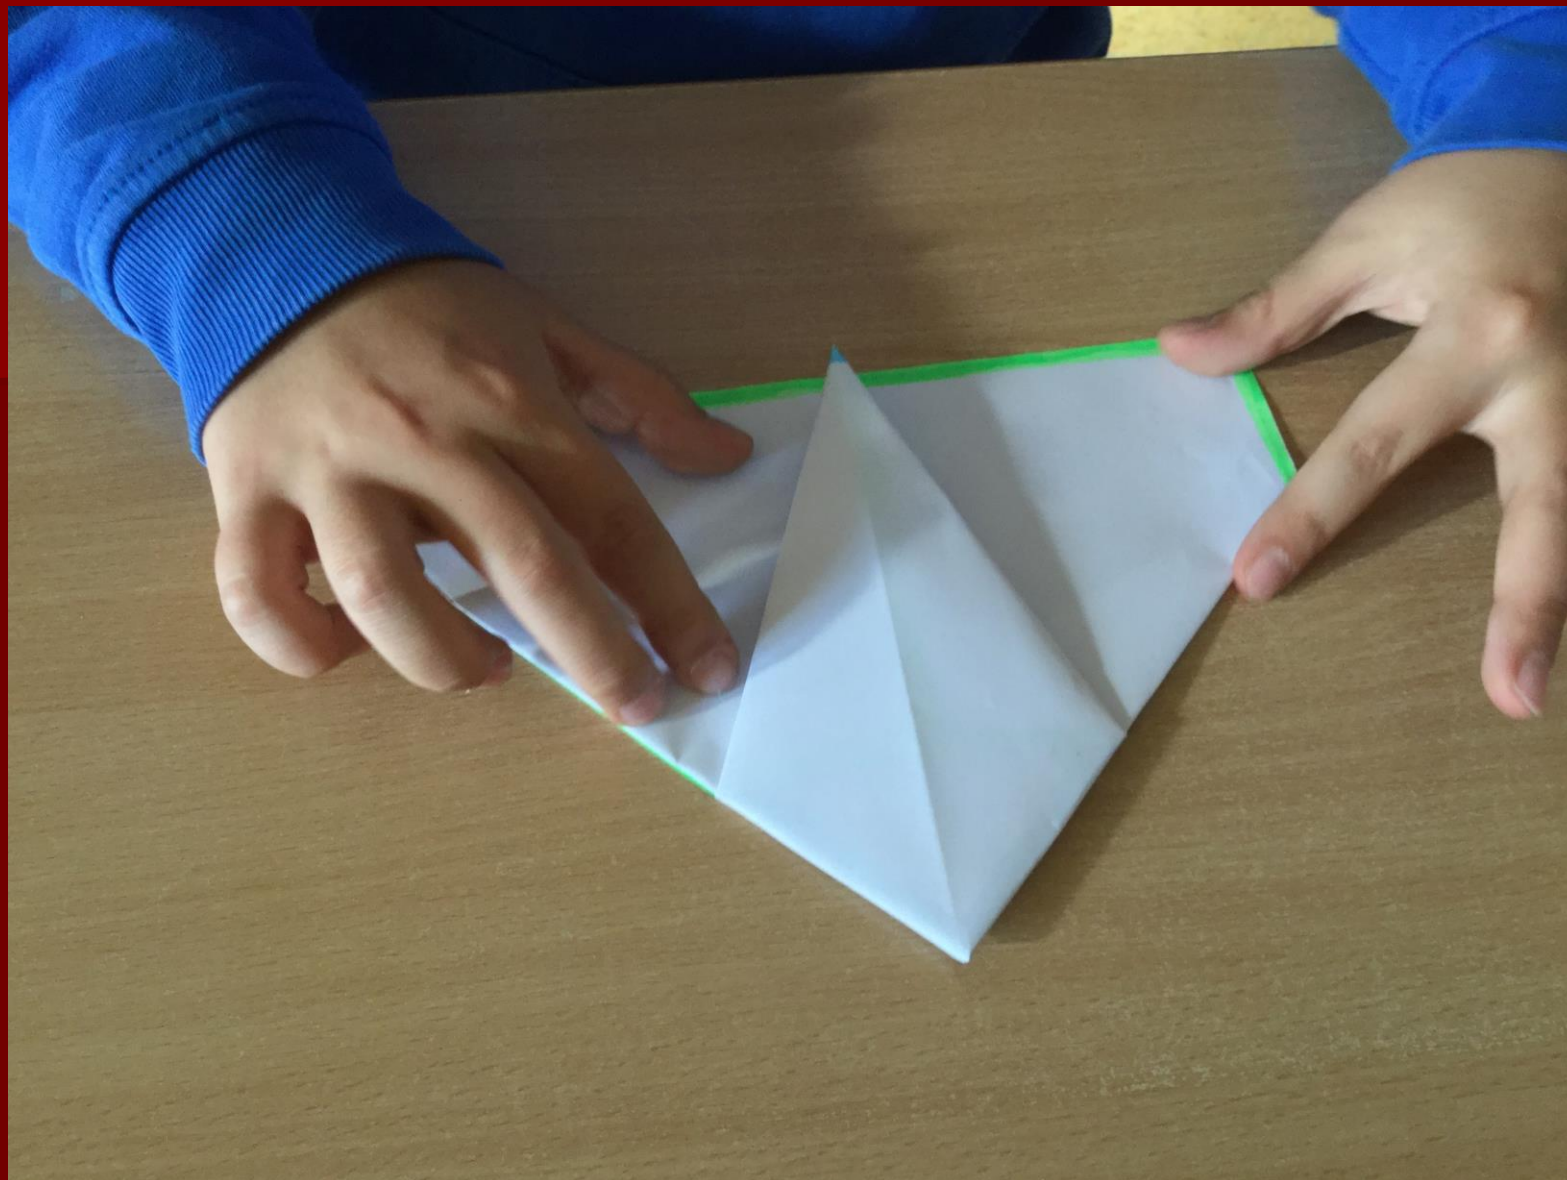

**Step 4:** Fold the tip downwards so that the tip is at the end of the airplane.  
Then, ...

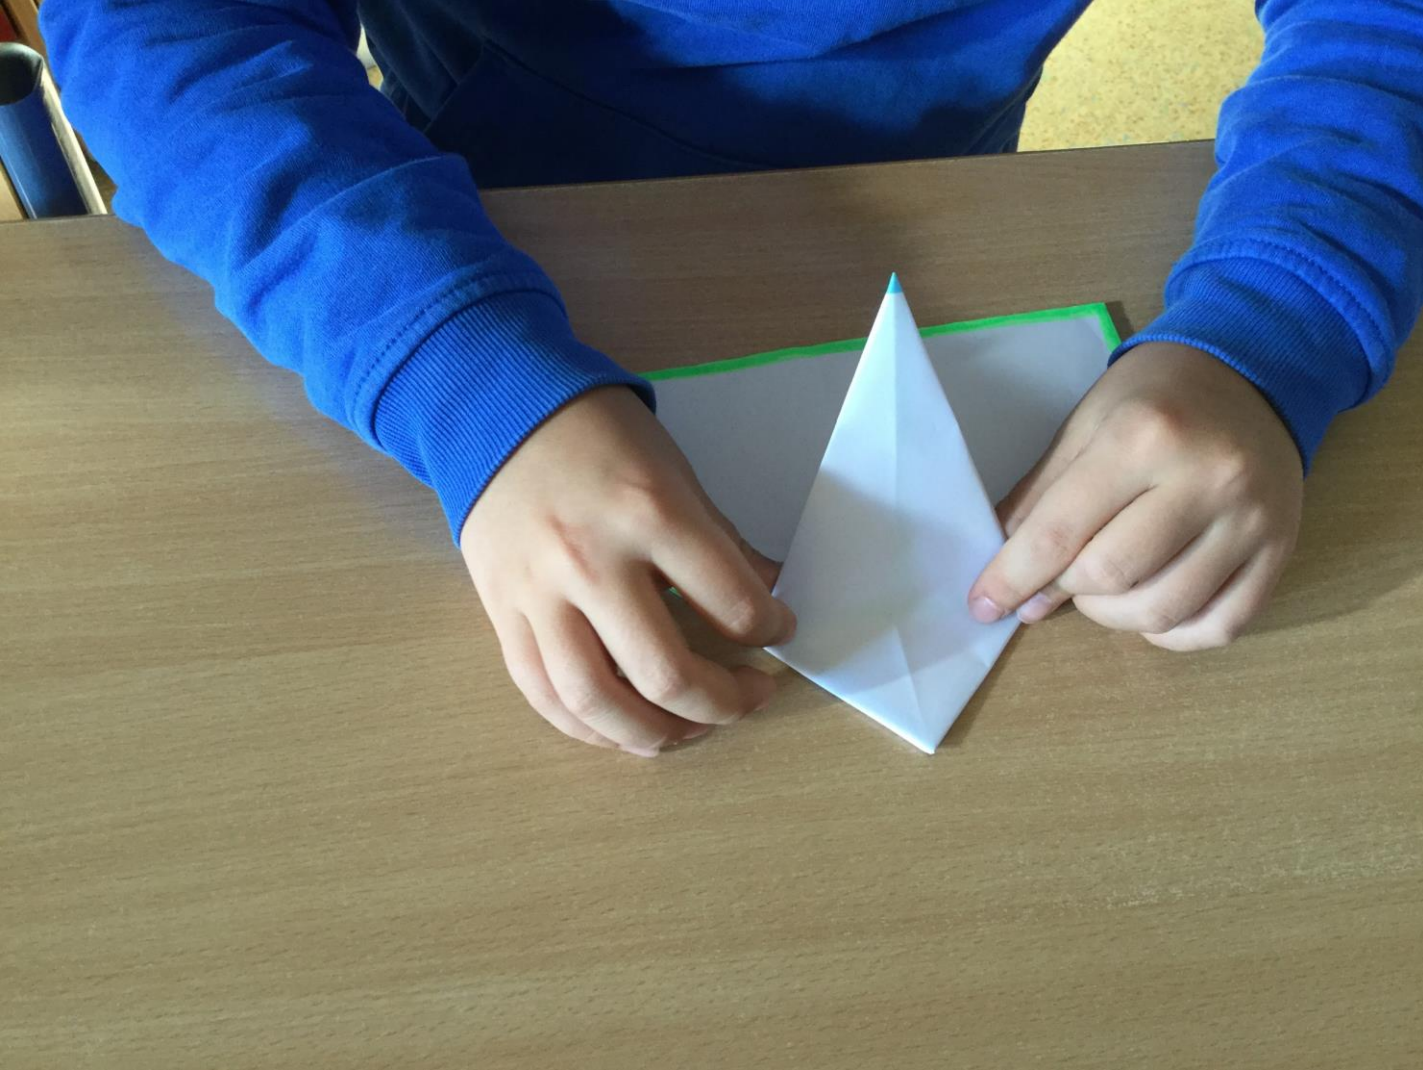

... turn it around!

**Step 5:** Now, fold the top corners to the middle line.

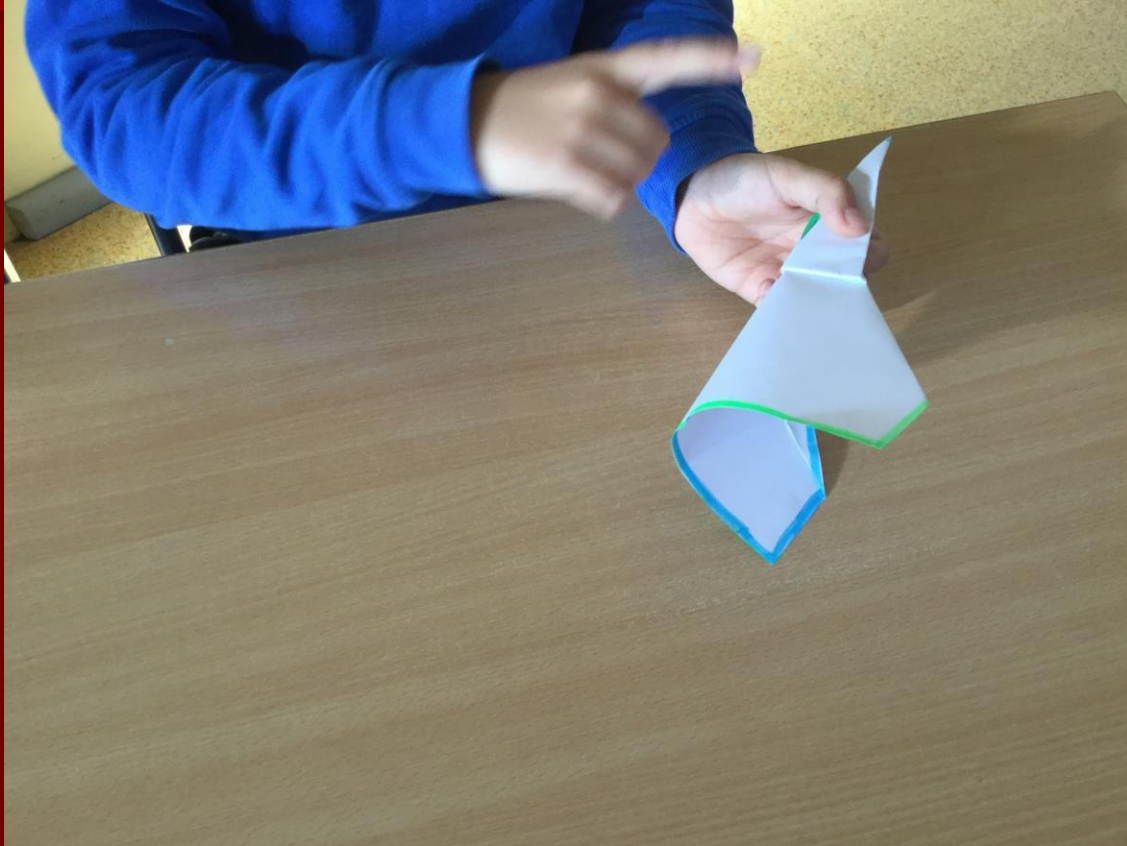

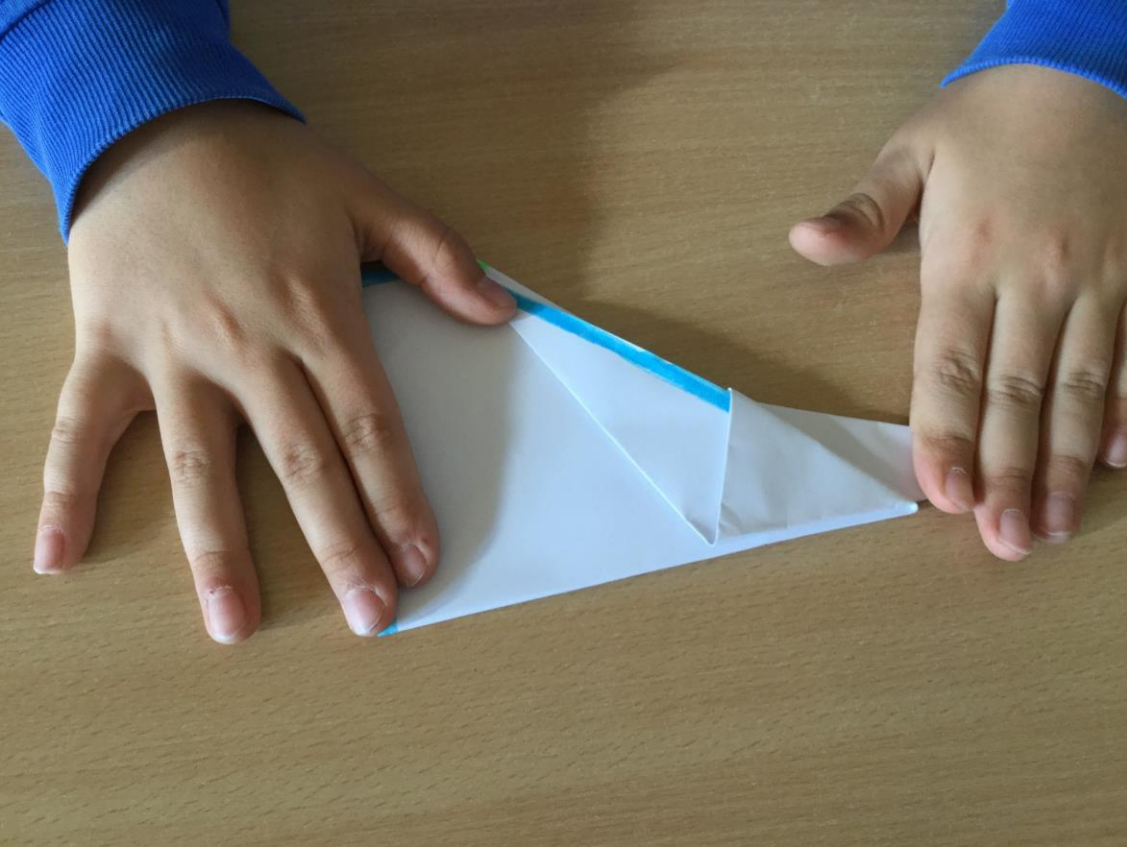

**Step 6:** Turn the paper around again to the other side!

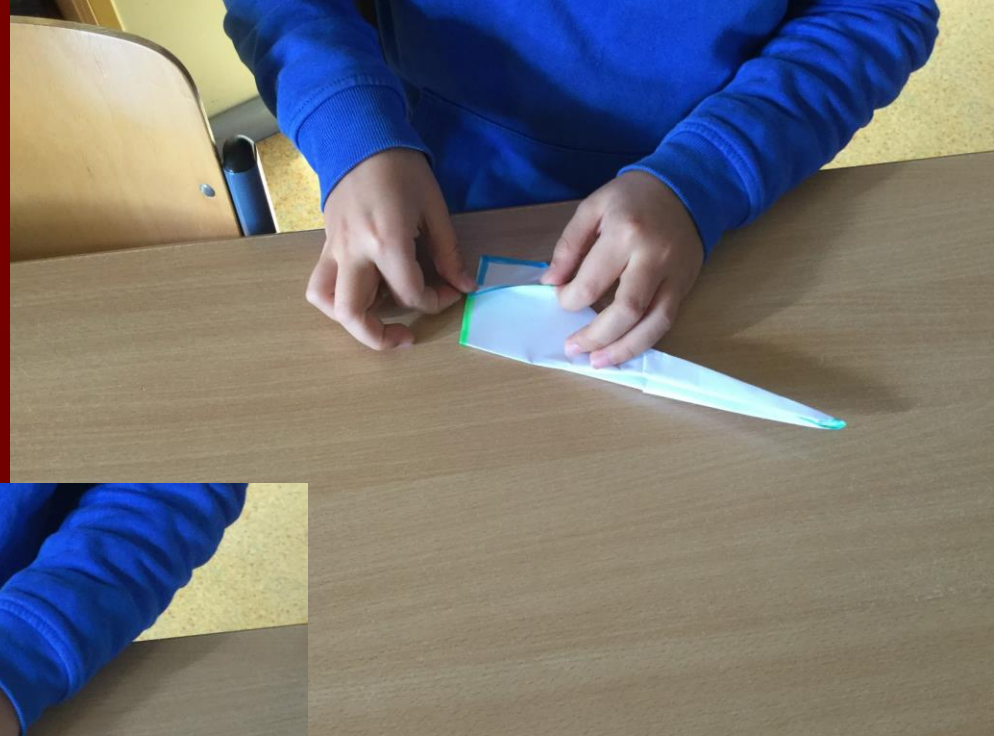

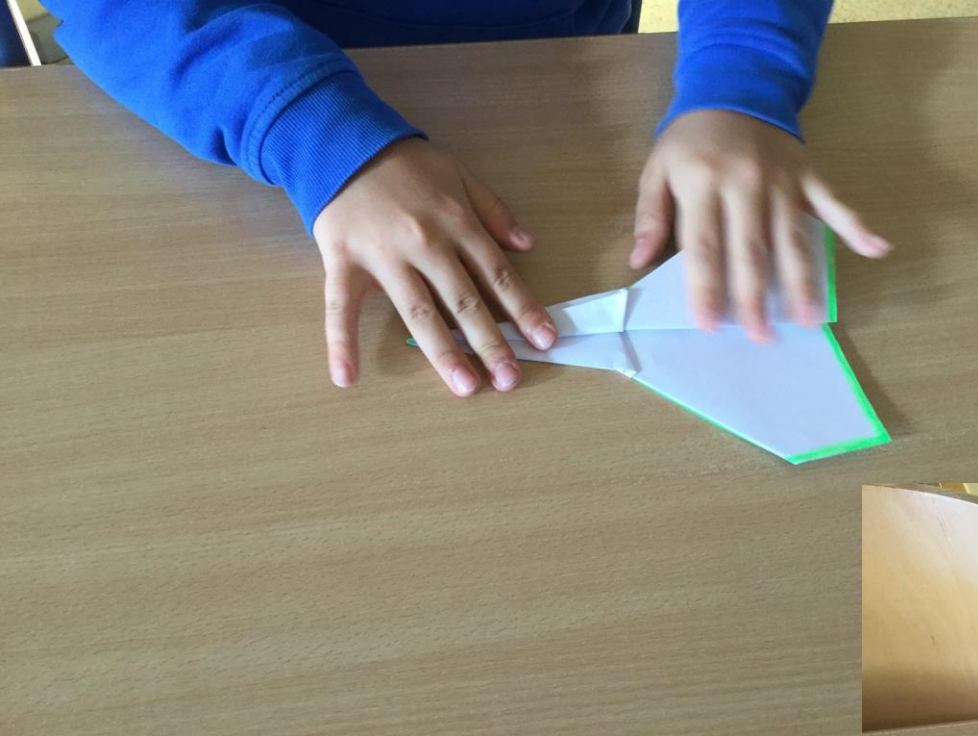

**Step 7:** Take the top flat that it is a triangular shape - and fold it up!

**Step 8:** fold it in half so that there is a diagonal line on the sides!

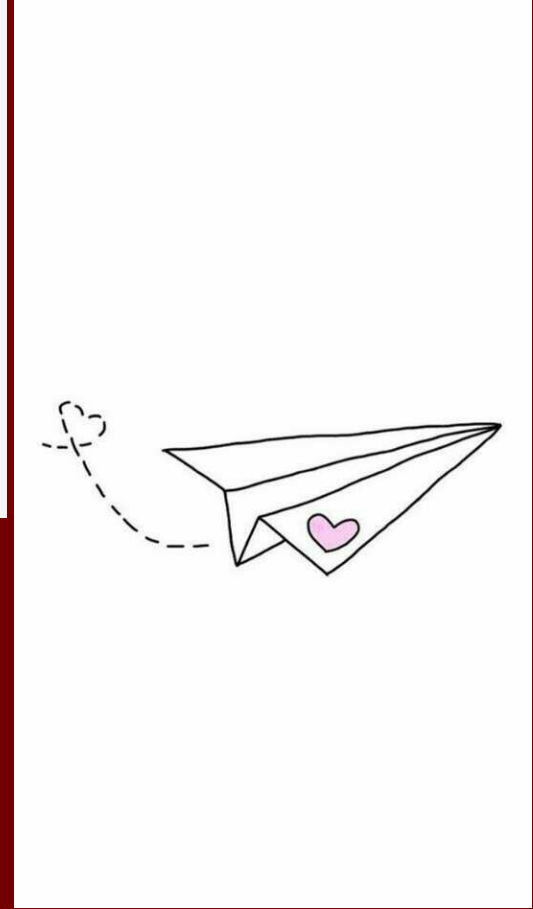

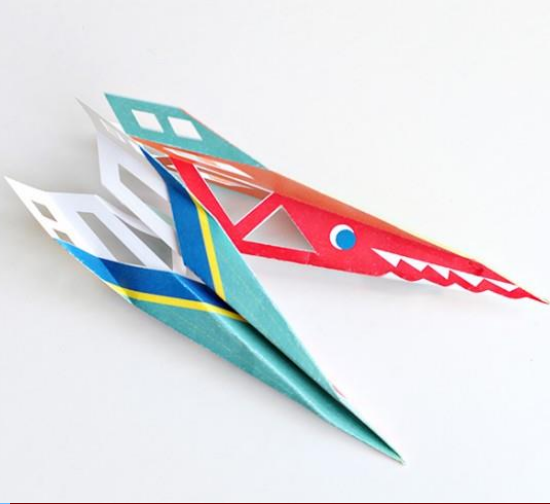

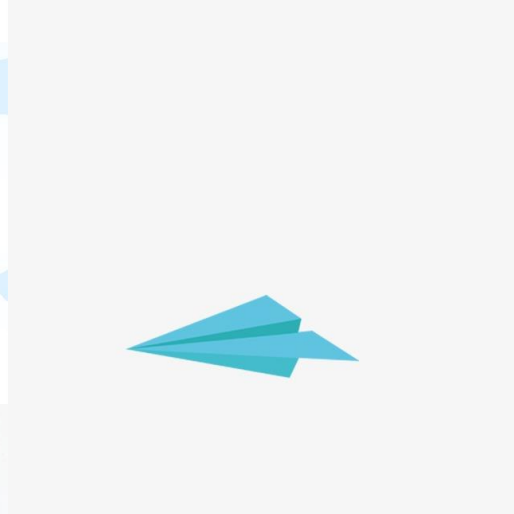

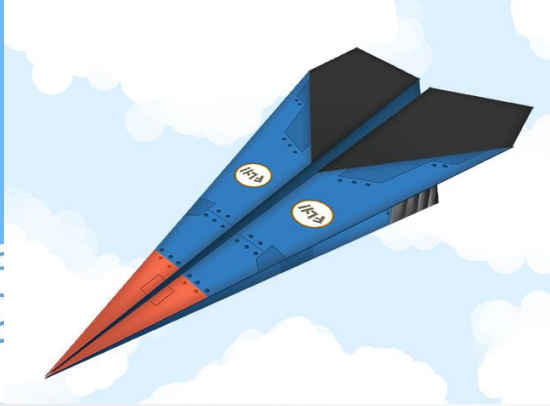

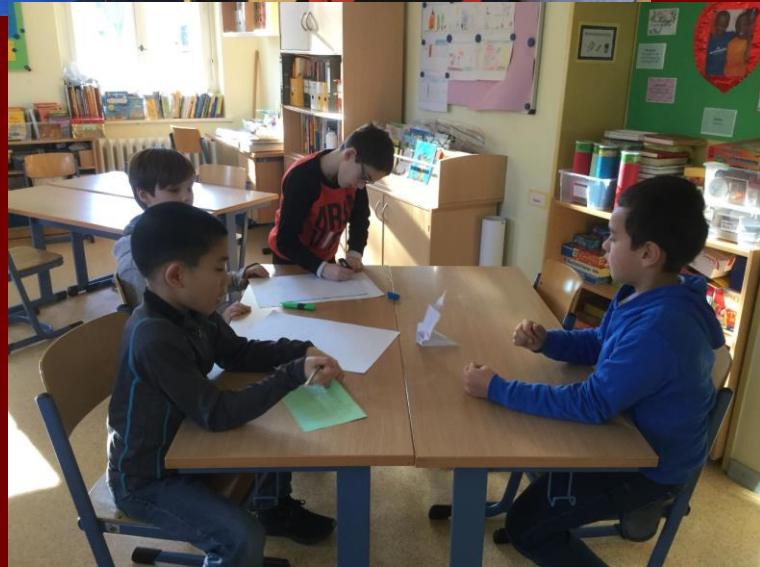

**Step 9:** Fold one flap down so that the front top is in line with the bottom!

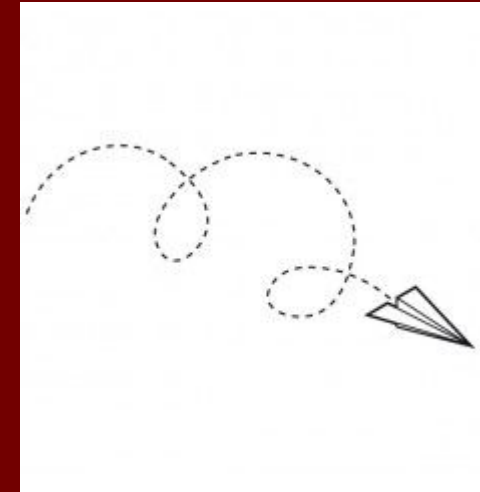

**Step 10:** Repeat it on the other side!

**Step 11:** Write your name on it!  
Decorate it!

**Step 12: Be happy – your paper airplane is ready!**
